

## Environmental Policy

### Scope and context of the organisation

We acknowledge that the company's activities, products and services impact upon the environment. We are committed to ensuring that these environmental impacts are eliminated, minimised or controlled.

**Scope: Hot-dip tinning & associated Busbar products, laminated connector making, plastic mouldings, storage, inspection, packing, despatch and office work.**

### Policy Statement

#### Strip Tinning are committed to ensure:

- This policy provides a framework for setting environmental and quality objectives;
- We maximise business opportunities where possible whilst identifying risk of internal and external factors;
- We are committed to the protection of the environment, including prevention of pollution, fulfil the company's compliance obligations and other specific commitments relevant to the context of the organisation;
- Use energy more efficiently;
- Keeping our waste streams to a minimum and maximise the efficient use of materials and resources and recycling all materials where possible;
- Managing and disposing of all waste in a responsible manner with duty of care;
- Fully control any hazardous substances on site;
- Consider impacts upon the environment when evaluating new plant, equipment or manufacturing processes;
- Educate and train our workforce to behave in an environmentally responsible manner, and ensure that employees and contractors working on our premises comply with relevant environmental legislation and company requirements;
- Continually improve our environmental performance through the setting of objectives and targets, supported by a management programme detailing how these objectives and targets are to be achieved.

The company operates an environmental management system in accordance with the requirements of ISO 14001:2015.

This policy is communicated to all employees and others working on the company's behalf, is reviewed at regular intervals and is available on request. It is publicly available on our website at [www.striptinning.com](http://www.striptinning.com).
